

Phase 1—Staff/Board/Organization

Introduction to Collaborative Governance *terms* and *concepts*

Online Governance Analysis Survey generates governance footprints and identifies actors for:

- Vision-Strategy
- Structure—Process—Function

Creates an organizational ‘Personality Test’ report

Contact : Tim Gieseke tgieseke@agresourcestrategies.com

Phase 2—Multi-Stakeholder Group

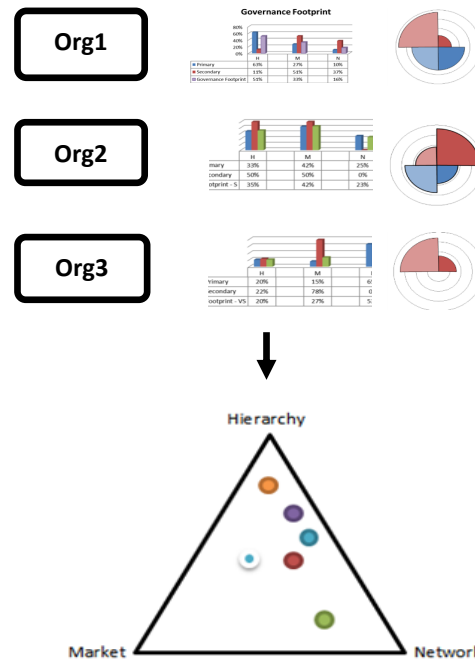

In-person gathering of stakeholder leaders

Online access to Phase 1 Data

Identify actors and roles using Compass

- Public Policy-Makers
- Private Policy-Makers
- Public Practitioners
- Private Practitioner

Comparison of governance footprints for: Strategy—Structure—Process—Function

Plots footprints to identify potential conflicts associated with the “Governance Paradox” of mixing hierarchy, market & network governance styles
