

## Reporting 3.0 Platform: *The future roadmap*

Dissemination of the Blueprints, alpha/beta testing, feedback mechanisms, further alignments and a second round of Blueprints

Peter Teuscher, Founding Partner BSD Consulting, Co-Founder Reporting 3.0

Based on 4 years of research and co-creation, Reporting 3.0 is now ready to focus on broader dissemination of Blueprint assumptions and recommendations:

• 3 Focus Areas for Dissemination

Educate / Advocate / Accelerate

• 4 Activity Streams for Development

Research / Development / Testing / Training

## Work Ecosystem

	REPORTING 3.0 + OTHER PROGRAMS (T.B.D.)					
	ON COMMONS VISION, MISSION, STRATEGY					

- **Beta Testing:** 18-month program to field-test selected assumptions, findings and recommendations as described in the Blueprint reports. Staggered approach with two options.
- Advocation Partner Program: partnerships with subject matter experts (individual, organizational) for dissemination and implementation of Reporting 3.0 recommendations in specific regions and for specific topics.
- Academic Alliance: partnership program with academic institutions to join forces on Blueprint report texts and recommendations, conduct research assignments and run workshops for internal as well as external audiences on the Blueprints and their recommendations.
